REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Issuance of a Certificate of Correction for the above-captioned patent is respectfully requested in accordance with the accompanying Form PTO-1050 (submitted in duplicate).

- ☐ The requisite government fee of \$ 100:
- ☐ is submitted herewith;
 - ☐ is authorized to be charged to Deposit Account No. 02-4800; or
 - ☐ charge to credit card. Form PTO-2038 is attached.
- ☒ It is believed that payment of a fee is unnecessary as this error occurred on the part of the U.S. Patent and Trademark Office. In the May 17, 2006 Supplemental Examiner's Amendment (copy enclosed), Examiner Keith Robinson indicated through an error on his part, the word "whole" had been inadvertently typed instead of "wheat". It appears that all of the corrections indicated in this Supplemental Examiner's Amendment had not been affected prior to issuance of the patent.

OCT 23 2006

The Director is hereby authorized to charge any appropriate fees under 37 C.F.R. § 1.20(a) that may be required by this paper, and to credit any overpayment, to Deposit Account No. 02-4800. This paper is submitted in duplicate.

Respectfully submitted,

(b) planting the wheat seeds following the soaking of step (a) in a growing medium and producing at least one wheat plant, and

(c) selecting a wheat plant from step (b) or from a subsequent generation that is produced following self-pollination which exhibits genetically-controlled naturally-occurring glyphosate herbicide resistance that is not attributable to a foreign gene for herbicide resistance introduced by genetic engineering.
